

Shaggy Loop Chain with Pewter Rings

1. Open jump ring, pick up 2 pewter rings, close jump ring.

2. After first row, open jump ring, pick up one pewter ring, pass open jump ring through last jump ring in the row, pick up second pewter ring and close jump ring.

3. Continue step 2 until chain is desired length. Attach Toggle Clasp using jump rings (use a couple of smaller gauge jump rings for the bar end of toggle).

Supplies: (for 7" bracelet)
32 Aluminum Jump Rings 18gauge 3/16"
64 Pewter rings
1 Toggle
2 Aluminum Jump Rings 20 gauge 1/8"

Tools: 2 Pairs Flat Nose Pliers

Other Ideas:

Use colored jump rings instead of silver

Use orings instead of pewter rings

Attach beads to rings
